L'Arteterapia utilizza il processo creativo e i materiali artistici all'interno di una relazione professionale, per sostenere comunicazione, espressione emotiva e benessere psicologico. Il percorso universitario comprende:

- psicologia e psicoterapia;
- sviluppo del bambino e dell'adolescente;
- salute mentale;
- relazione terapeutica;
- pratica clinica supervisionata;
- ricerca universitaria;
- uso professionale delle arti visive per favorire comunicazione, consapevolezza emotiva e crescita personale.

English

Master of Science (MSc) in Art Therapy

Queen Margaret University College

Edinburgh, Scotland (United Kingdom)

Awarded on 9 July 2008

Postgraduate Master's Degree in Art Therapy.

Art Therapy uses the creative process and visual art materials within a professional therapeutic relationship, to support communication, emotional expression and psychological wellbeing. The university programme included:

- psychology and psychotherapy;
- child and adolescent development;
- mental health;
- therapeutic relationships;
- supervised clinical placements;
- academic research;
- professional use of visual arts to promote communication, emotional awareness and personal growth.
